(e) the steps taken thereon?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI SYED SHAHNAWAZ HUSSAIN): (a) and (b) Under the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985, when the net-worth of a coal company becomes negative, the company becomes a sick company. There is no provision regarding any individual mine becoming sick. Eastern Coalfields Limited (ECL) had a negative net-worth as on 31.3.99 and was referred to BIFR under the aforesaid Act. The BIFR have declared the company as sick. The Bharat Coking Coal Limited (BCCL) had also a negative net-worth as on 31.3.2000 and the company has been referred to BIFR under the ACT. These two companies are incurring losses because they have a number of heavily losing mines. In ECL & BCCL most of the loss making mines are located in the State of Jharkhand.

(c) to (e) The Coal India Limited has engaged ICICI to study the problems of ECL and BCCL, the loss- making subsidiaries of CIL, and to make recommendations for their revival. In case of Central Coalfields Limited, another loss making coal company, the IDBI has been engaged to study the problems and make recommendations for its revival. The report of ICICI on ECL has been received, whereas the reports on BCCL and CCL have not so far been received. The ICICI REPORT ON ECL has been examined but no final revival package has so far been formulated.
